A warm welcome back to school from all of us!

We ran a 7 week "Winter Session" camp from 8 July to 22 August 2014. We had a different theme for every week that included Mad Science, Cookery, Malawi week, Space, Water and Nature. Highlights from winter fun are included in the next page.

Thank you for the food for the rabbits The rabbits have had to be separated as they are both female and cannot live together in harmony (they keep biting and nipping at each other) so we have to find a male rabbit! So do keep the food coming for the rabbit family.....

The Parents Workshop was an astounding success and we have learnt a number of lessons from this first interaction with you. The Communication Book was distributed ON Friday 24 October. Please remember to check the book everyday!

For all who could not make it to this event because of work commitments we shall hold another workshop one evening in January 2015 so all may attend.

Please sign up to WhatsApp so that we may ease some of the communication gaps.

With the summer sun , please make sure you pack a hat for your little one and extra bottle of water.

A thank you to all those Parents that responded to our plea for Paper Towels. We got through 2 rolls a day. !

WINTER SESSION 8 JULY—22 AUGUST

The Malawi theme—WEEK 5 Of the Winter Session

The Cultural Group led by Mr Harry demonstrated how the African Harmonica is played.... To produce a sound you had to blow a certain way! The children also had the opportunity to do some drum beating, and made small clay pots. A demonstration on how rag dolls was another highlight!

Lilongwe Wildlife Centre Visit

We saw many animals like the crocodiles baboons, monkeys and python!
Alas we did not see the Lion!

However the biggest highlight was not the animals but swinging on the big Swing in the playground!
